

## Me & You

Written by: Sandi Millar

Key C (capo 5)

**INTRO - Guitar - G D Em C - G D C**

### Verse I

G D  
Down on the farm early in the spring  
Em C  
Holding your hand by the willow tree  
G D C  
Time just flies do you feel it too

### Verse I

G D  
The leaves are coming in and everything is green  
Em C  
This might be the best summer we've ever seen  
G D C  
Life's worth living with just me and you

### Verse III

G D  
Worked hard all day the clouds are coming in  
Em C  
Can't wait to see my baby's sweet face again  
G D C  
We'll be dancing to the rhythm of the rain

### Chorus I

Em C  
But the winds did blow and the rains won't go  
G D  
And the fields are filled with mud  
Em C  
The windmill cries and we ask God why  
G D  
Will he help us through this flood  
C  
it's still home to me and you

**VERSE BREAK - Mandolin - G D Em C - G D C / Banjo - G D Em C - G D C**

#### Verse IV

          G                  D  
We'll rebuild our lives together  
          Em          C  
Holding onto one another  
          G          D          C  
There ain't no place I'd rather be

#### Verse V

          G                  D  
We'll reminisce about these bad times  
          Em          C  
and I'll be holding your hand in mine  
          G          D          C  
a year from now just you and me

#### Chorus I

          Em                          C  
But the winds did blow and the rains won't go  
          G                          D  
And the fields are filled with mud  
          Em                          C  
The windmill cries and we ask God why  
          G                          D  
Will he help us through this flood  
          C  
But it's still home to me and you

**BREAK VERSE - Guitar G D Em C - G D C / Banjo G D Em C - G D C**

#### Chorus II

          Em                          C  
Now the wind don't blow and the rain did go  
          G                          D  
And the fields aren't filled with mud  
          Em                          C  
The rooster crows, God only knows  
          G                          D  
How he helped us through that flood  
          C  
It's still home.....

#### Chorus III

Em C  
Now the wind don't blow and the rains did go  
G D  
And the fields aren't filled with mud  
Em C  
The windmill moans, God rebuilt our home  
G D  
He helped us through that flood  
C G D Em C - G D C  
It's still home to me and you  
G D Em C - G D C  
Just me and you
