

## My Lost Soldier

Written by: Chuck and Sandi Millar

Key Bb (capo 3)

### INTRO - Mandolin - G D G

#### Verse I

          G          D          G  
As the night falls bright moon shining  
          C          D          G  
when everything in life stands so still  
          C                  D      Em  
I wonder where you are in sadness  
          G                  D          G  
somewhere lost inside them rolling hills

#### Chorus I

C  D          G  
Where's my lost soldier  
C  D          G  
where has he gone  
Em          D          C          G  
way up in the mountains or in the lonesome pines  
          G  D                  G  
my lost soldier please come home

### TURN AROUND - G D G - Guitar

#### Verse II

          G                  D          G  
Not a day goes by without you on my mind  
          C                  D          G  
as dreams of you come to me every night  
          C                  D  G          Em  
I wake and you're not there I just can't say goodbye  
          G                  D          G  
if tears were blue I'd paint the countryside

#### Chorus I

C  D          G  
Where's my lost soldier  
C  D          G  
where has he gone

Em            D            C            G  
way up in the mountains or in the lonesome pines  
G   D                            G  
my lost soldier please come home

**VERSE BREAK - Fiddle - G D G - C D G / Banjo - C D G Em - G D G**

**Verse III**

G            D            G  
I woke to a knock at my door  
C            D                            G  
for one in my dreams I've heard before  
C                            D            G            Em  
You reached out your hand all along it was God plan  
G                            D            G  
I didn't miss my soldier anymore

**Chorus II**

C            D            G  
and now I've found my lost soldier  
C D                            G  
tell me where have you been  
Em                            D            C                            G  
way up in the mountains or in the lonesome pines  
G D                            G  
my lost soldiers come back home  
G D                            G  
well my lost soldiers come back home
